C&C Workshop (1pm)

- Potential network for next week?
- What are my strengths and the strengths of my team?
- How will we agree to work together? What roles will we take? (Collaboration Agreement)
- **What is the draft outline of my video (10%) due this Sunday?**

You bring a unique skill set, background and expertise to your team

You may be particular good in certain roles due to your strengths

It can be awkward to talk about but...

What are some of your major strengths?

(Pairs; 5 minutes)

By the end of today you should be able to answer these questions

1. Is collaboration a superpower for solving complex problems?
2. How can you boost collaboration?
3. How has my team agreed to work together?
4. What is my draft structure for my video reflection AT1a?
